### APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 11.6 cubic feet per second.

Actual construction work shall begin on or before August 4, 1921.

Proof of commencement of work shall be filed before September 4, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before August 4, 1923.

Proof of completion of work shall be filed before September 4, 1923.

Application of water to beneficial use shall be made on or before August 4, 1925. Proof of the application of water to beneficial use must be filed with State Engineer on or before September 4,

Proof of labor filed AUG 28 1922

WITNESS MY HAND AND SEAL this 4th day

of Aug 18, 1922.

of July, 1921

Proof of completion of work filed. MAR - 3 1926
